B. Certify that you understand that this affidavit may be verified and that falsely completing the affidavit may result in denial of your Any-Deer Permit and result in prosecution of a Class D Crime.

Date _____ Signature _____

Instructions

Maine Law provides that a resident over 10 years of age and any member of his immediate family over 10 years of age may hunt without a license on any single plot of land provided that the following conditions are met: (1) they are legally entitled to possess the land; 2 they are domiciled on the land; (3) the land is used exclusively for agricultural purposes, and (4) the land is in excess of 10 acres.

If you meet these qualifications, do not possess a valid hunting license and would like to participate in the drawing for Any-Deer Permits, you may qualify with this affidavit. **Complete the affidavit on the other side and attach it to your filled-out Any-Deer Permit Application.** All district boundaries changed in 1998. Be sure to review the Any-Deer Application Booklet carefully before completing your 2004 Any-Deer Application. You may only apply in the district in which your land is located. You will be assigned a number which will be used to enter you in the Any-Deer drawing, and a post card notifying you of this number will be mailed prior to the drawing. You may check on whether you were drawn by comparing this number to the numbers for residents listed in the paper following the drawing.

PLEASE NOTE: If your application is drawn, the Any Deer Permit you are issued will only be good for your own land within the district even if you later buy a hunting license. If you want to apply for Any-Deer Permit valid anywhere in the district in which you live or for another district, you must purchase a hunting license prior to applying.
